

Hi Mom! This is Jeannie, your youngest daughter! I would like to share a memory of Christmas growing up... Etc...(the rest of the memory paragraph here)

(It can be any memory you want to share. I chose a Christmas childhood memory – please be led to share whatever you want. The photo is so she can associate the words with faces. Can also just sent a photo of you, doesn't have to be you and my mom.)

We will have the Memory Book and a camera at the party for those who don't send one ahead of time, but sending one ahead of time would be GREAT!

Just FYI, I did a whole page memory, it just needed to be 😊 please feel free to make it however long or short you want!
